

Lifting Operations

Lifts utilizing cranes, hoists or other mechanical lifting devices will not commence unless:

- An assessment of the lift has been completed and the lift method and equipment has been determined by a competent person(s)
- Operators of powered lifting devices are trained and certified for that equipment
- Rigging of the load is carried out by a competent person(s)
- Lifting devices and equipment has been certified for use within the last 12 months (at a minimum)
- Load does not exceed dynamic and/or static capacities of the lifting equipment
- Any safety devices installed on lifting equipment are operational
- All lifting devices and equipment have been visually examined before each lift by a competent person(s)
